

QSHE Mission

We commit to:

- Achieving long-term and successful customer relationships by surpassing expectations with our high quality, safe and environmentally friendly products, services and operations
- Complying with applicable legal, regulatory, industry and corporate requirements
- Continuous improvement practice
- Leadership and accountability throughout the organization
- Open communication with stakeholders
- Minimizing risks and leveraging opportunities
- Providing resources and training to enable the fulfillment of this policy

Quality

- Goal of Zero Defect Strategy
- First Time Right Approach

Environmental

- Sensitive Resource Handling
- Responsibility for Society

Health

- Set Preventing Actions
- Providing Safe Working Conditions

Safety

- Goal of Zero Accidents
- Goal of Eliminating Safety Risks

This policy is integral to the HOERBIGER Strategy, committed to and annually reviewed by the Executive Management Team.
